TO: EXECUTIVE DIRECTORS/AFFILIATES:

RE: A RESIDENTS' CONFERENCE

Residents throughout the state should know and understand QHWRHA, as it connects to their lives while living in assisted housing. At each of our Conferences, we have offered excellent workshops, training tools and important information that is essential to the residents' needs; this conference is as such. Our organization does not encourage dissention amongst residents nor executive directors, on the contrary it promotes workable relationships. These conferences offers awards, certificates, up to date literature, and dedicated workshop facilitators.

NJAPSHR, Inc.'s conference will began Sunday evening June 25 through Wednesday noon June 28, 2000 at the Atlantic City Sheraton Convention Center 50 Kirkland Boulevard Atlantic City, NJ. Our focus this year concentrates on resident accountability, self-sufficiency, leadership training, home ownership, welfare to work initiatives and the importance of voting this election year.

The New Jersey Association of Public and Subsidized Housing Residents, Inc. 303 Washington Street Newark, NJ 07102, advocates the rights of residents living in public and subsidized housing. NJAPSHR, Inc. is dedicated to legislative reform for the betterment of all residents living in assisted housing. Therefore, we ask that you, resident leaders and residents attend this conference in order to understand the many aspects of QHWRHA. The conference facilitators will be, but not limited, HUD employees, Executive Directors and Resident Forums and Guest Speakers.

As always, your cooperation and support is always appreciated. If you have any questions or concerns, please call Glenda Wright at (973) 643-0544.

Registration applications attached.

Sincerely,

*Mary E. Ross/gw*

President of NJAPSHR, Inc.
